**Subject: EPA Contract No. 68-W7-0003
Outboard Marine Corporation Site, Waukegan, Illinois**

Dear Ms. Wakat:

I am writing on behalf of PRC Environmental Management, Inc. (PRC), to respond to your request regarding the dollar value of the work PRC performed for the Outboard Marine Corporation and General Motors, the two potentially responsible parties for the above-referenced site. PRC submitted a proposal to perform wetlands delineation at the Outboard Marine Corporation site in Goshen, Indiana, but never actually performed any work. The dollar value of the work for General Motors involving risk assessment of a site in Massena, New York, is approximately \$100,000.

If you have any questions regarding this matter, please contact me at (312) 856-8725.

Sincerely,

A handwritten signature in cursive script, appearing to read "Glen W. Barwegen".
